# Application For International Tickets Policy

Admission to all International matches is by ticket only. The RFU stipulates that tickets are only to be issued to bona fide members of clubs affiliated to the RFU and that holders are responsible for ensuring that tickets do not get into the hands of speculators. We are normally allocated between 16 and 24 tickets for all home games and two tickets for away games. The allocation is done by a draw, after the applications have been received and monies banked.

Applications for International tickets should be sent to Alan Giddings, and enquiries regarding all tickets should be made directly to him. You must be a fully paid up member to apply for tickets.

12 clubs are now prohibited from applying to RFU for International tickets as club members sold/passed on their ticket to a.n.other. **DO NOT CONTEMPLATE THIS.** If you receive a ticket but cannot go – return it

## THE RULES and UPDATE

1. You must be a club member and this includes playing, family, and social members (so if they are so inclined our Australian and Swiss members can apply!).
2. Applications must be submitted on time to Alan Giddings and only on the appropriate coloured application forms (no photocopies, etc).
3. You can apply for pre- and post- Christmas tickets and quite feasibly get tickets for both.
4. Alan will quite possibly be able to acquire tickets for the two away matches to Wales and Ireland and if you would like to go into the draw for them please email him at [chipstead.tickets@zen.co.uk](mailto:chipstead.tickets@zen.co.uk) the draw will be held at the President's cocktails at Christmas.
5. The draw for the Autumn Internationals will be held on or about 1<sup>st</sup> November
6. The draw for the 6 Nations Twickenham tickets will be held on or about 3<sup>rd</sup> January.
7. Numbers and statistics will be published in With Chips.

Many thanks to Alan Giddings for his contribution and help to smooth the path with the RFU.
